**The New Messianic Version: The Writings** Tov Rose

This is Volume 3 of The New Messianic Version of the Bible. It contains The Writings.

Is there something missing from your Bible? Yes.

The New Messianic Version of the Bible is raising eyebrows in the world of Bible translators

The New Messianic Version, challenges both Jews and Christians to see that the whole Bible is Jewish. It restores the names of people and places to their "Jewish" pronunciation, translates every name of people and places so that it reads much like an "Amplified Bible."

Author Tov Rose explains, "Today, Jewish people and Christians alike suffer a similar kind of blindness: They do not know their God. I know, that looks like an inflammatory statement, but please give me to the end of the book to present my case before passing judgment. There is a secret hidden in your Bible." This groundbreaking book answers the one question most Christians and Jewish people alike get wrong, "Who is the God of the Hebrew Bible?" Again, Tov, "If you said, 'God the Father' then you got it wrong, and I'm going to prove it to you."

"In the New Testament book of John 6:46 Jesus says, 'No man has seen The Father...' then who have people seen?"

It clearly shows you who the author really is, and it isn't God the Father. Jesus said unto them, Verily, verily, I say unto you, Before Abraham was, I am.

Jews are challenged by the implication that the Tanakh is an incomplete Bible without the New Testament understanding the Yeshua (Jesus) is the God of the Hebrew Bible. Christians are challenged with the fact that they are joined to the Jewish people through faith in the Jewish Messiah, Yeshua (Jesus). Christianity can only be truly understood only from a Jewish perspective, hatred of Jewish people (aka: Anti-Semitism), can have no place with followers of Jesus.

In short, The New Messianic Version restores the Jewish flavour and understanding of those first generation followers of Jesus.
