## O Retrato de Dorian Gray (Portuguese Edition) João do Rio, OSCAR WILDE

O Retrato de Dorian Gray O Retrato de Dorian Gray (no original em inglês, *The Picture of Dorian Gray*) é um romance publicado por Oscar Wilde, considerado um dos grandes escritores irlandeses do século XIX. Dorian Gray é um jovem que se envaidece de si mesmo, que se torna amante de si mesmo e da arte abstrata e pura, e que em seu nome de inanidades sociais, insensibiliza, diagnóstica e se auto-desculpa. Não há redenção naquele jovem, mesmo quando acaba por querer mudar de vida, já que o faz pelo fato novidade, pelo amor ao novo, à arte de viver... Cheia de ilustrações que ele já quase tinha esgotado numa vida sensoriosa e sem interesse humano do que a vilanização do ser... O romance, de forte cariz estético, conta a história fictícia de um homem jovem chamado Dorian Gray na Inglaterra aristocrática e hedonista do século XIX, que torna-se modelo para uma pintura do artista Basil Hallward. Dorian tornou-se não apenas modelo de Basil pela sua beleza física (um "Adônis que se diria feito de marfim e pétalas de rosa"), mas também tornou-se uma fonte de inspiração para outras obras e, implicitamente no texto, uma paixão platônica por parte do pintor. Mas o seu retrato, que Basil não quer expôr por ter colocado "muito de mim mesmo", foi sua grande obra-prima. Lord Henry Wotton, um aristocrata cínico e hedonista típico da época e grande amigo de Basil, conhece Dorian e o seduz para sua visão de mundo, onde o único propósito que vale a pena ser perseguido é o da beleza e do prazer: "sou de parecer que se o homem vivesse plena e totalmente a sua vida, desse forma a todo sentimento, expressão a toda idéia, realidade a todo devaneio... creio que o mundo receberia um novo impulso eufórico, um impulso de alegria que nos faria esquecer todos os males do medievalismo e voltar aos ideais helênicos..." No entanto, segundo Henry, a beleza é efêmera. Até mesmo a inteligência lhe é prejudicial: "a beleza, a verdadeira beleza, acaba onde principia a expressão inteligente", enquanto que "a beleza é uma forma de gênio... mais elevada que o gênio, pois dispensa explicação". Dorian foi seduzido pelas palavras de Henry e pela tristeza de seu destino: "o senhor dispõe só de alguns anos para viver de veras, perfeitamente, plenamente. Quando a mocidade passar, a sua beleza ir-se-á com ela então o senhor descobrirá que já não o aguardam triunfos, ou que só lhe restam as vitórias medíocres que a recordação do passado tornará mais amargas que destroçadas."
