ISIS: Race to Armageddon

Dr. Adil Rasheed

ISIS: Race to Armageddon Dr. Adil Rasheed

The sudden emergence of the so-called Islamic State (generally referred to as the ISIS) in territories of Iraq and Syria in 2014, shocked the world with its gruesome acts of extreme violence and brutality, its blow to the Westphalian system of the nation state and its messianic drive to instigate a global war of apocalyptic proportions.

With more wealth and fighters than Al-Qaeda, the ISIS has stolen the thunder from every other Islamist and Jihadist outfit by declaring the territory under its control as the Caliphate (which has always been the ultimate Islamist utopia).

Various international organizations, government agencies and media outlets remain baffled to this day over the genesis, modus operandi, warfare and global outreach behind the ISIS' spectacular success.

This book seeks to investigate and explore most of these questions and also recommends ways in countering the ISIS threat both ideologically and militarily.

From reader reviews:

Vanesa Thomas:

What do you ponder on book? It is just for students as they are still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book ISIS: Race to Armageddon. All type of book would you see on many sources. You can look for the internet methods or other social media.

Jennifer Case:

The knowledge that you get from ISIS: Race to Armageddon is a more deep you searching the information that hide inside words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to understand but ISIS: Race to Armageddon giving you enjoyment feeling of reading. The author conveys their point in a number of way that can be understood simply by anyone who read it because the author of this guide is well-known enough. This book also makes your own personal vocabulary increase well. So it is easy to understand then can go with you, both in printed or e-book style are available. We suggest you for having that ISIS: Race to Armageddon instantly.

Odelia Dennis:

Spent a free time and energy to be fun activity to complete! A lot of people spent their free time with their family, or their particular friends. Usually they performing activity like watching television, gonna beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Can be reading a book can be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try look for book, may be the guide untitled ISIS: Race to Armageddon can be fine book to read. May be it may be best activity to you.

Ingrid Baumbach:

The reason why? Because this ISIS: Race to Armageddon is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your talent and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the e-book store hurriedly.
