Smoky Mountains Trout Fishing Guide Don Kirk

The revised and updated edition of Smoky Mountains Trout fishing Guide covers all fishable streams within the boundaries of the Great Smoky Mountains National Park. This guide takes the guesswork out of both the geography and the fishing in the beautiful Smoky Mountains. This book is designed to help both experienced and novice anglers select waters that suit their tastes and abilities. You'll find a chapter on each of the major streams in the Park. Listed with each stream is such valuable data as its location, fishing pressure, species of trout found in that particular watershed, both auto and trail access routes, campsite accommodations, and other information. Also included are chapters covering the early history of trout fishing in the Park, information on the aquatic insects that are most abundant in the streams, proven dry and wet nymph patterns, tips on gear, spinner fishing, etc.
