Why do so many Christians focus on the person of Jesus? Didn't he come to reveal his Father? (John 6:46) This book is for those who never grew up with a father figure. It introduces you to the best daddy in the world, God the Father. Are thousands of years of Judeo-Christian tradition wrong concerning the identity of the God found in the pages of the Old Testament (The Hebrew Bible)? Who is this divine being using the name YHVH, Jehovah, Yah, Yahweh, and other variations found in the pages of Scripture? The Book of GOD tackles one of the most mysterious and misunderstood concepts in history: Who is GOD? The result of more than a decade of research, drawing upon Ancient Hebrew, Judaic, Rabbinic and Christian sources and tradition, including the New Testament, author Tov Rose draws a compelling picture that reveals the true character, nature and person of the God of the Bible. The resulting conclusion promises to challenge many of the teachings of Christians, Messianic believers and Jewish people alike. Tov's research began with a simple question based on the statement made by Jesus, "All things have been committed to me by my Father. No one knows the Son except the Father, and no one knows the Father except the Son and those to whom the Son chooses to reveal him." (Matthew 11:27 KJV). Tov says, "If no one has known God the Father, then who have my Jewish ancestors worshiped?" "Tov Rose fills in the gaps of God the Father," said respected television host Sid Roth, of It's Supernatural! "The church has emphasized God the Son (Jesus) and God the Holy Spirit. But in the last days, the emphasis will be on understanding and knowing God the Father. Only someone with a Jewish understanding can bring us this end-time revelation, and Tov has done so."
