Architecture in Detail II Graham Bizley

Following on from Graham Bizley's successful *Architecture in Detail*, *Architecture in Detail II* presents 40 case studies of detailing on recent construction projects. Over 150 full colour drawings and photos provide a reference compendium for the professional architect seeking detailing inspiration.

Originally featured in *Building Design's In Detail* magazine, the included projects represent some of the most interesting and innovative techniques in recent architecture. Graham Bizley's beautifully presented detail drawings allow the architect to easily see how ideas and techniques can be applied to other projects. The book is organised by building type for quick and easy reference.
