*To love a Texan*

Everyone on her family's Louisiana plantation worried about Anne-Marie Duveil's sweet and trusting nature, and taught her to avoid cowboys at all costs. But something about the handsome Texas horseman Cordero Sanchez tempted her to take a crazy risk. Now she could never forget him—because she was carrying his baby....

Cordero had watched his brother and cousins walk down the aisle, and he was determined that no woman would rope him into marriage. And then he found out Anne-Marie was going to have his child. Cordero had seen too much heartache in his life, and couldn't just walk out on Anne-Marie. Could her tender touch be this Texas cowboy's undoing?
