Tattoo artist Keelie Jessup can handle that someone else has claimed the man of her dreams. She's just not pleased with her remaining options...

Keelie doesn't believe in the "perfect man." But the men who are worth the trouble are usually taken—like her business partner Zach Barnes. After a string of bad luck and the lost chance with Zach, Keelie decides that maybe flying solo—and living with suppressed desires—is the key to happiness.

As a photographer, Zane Barnes has an eye for the human form, and his eyes can't get enough of Keelie's curves. Unfortunately, Keelie is like most women—always fawning over his little brother, Zach. Zane is about ready to give up, but then a few stolen moments at his brother's wedding have him thinking maybe there's a chance there after all. Now he just has to prove that the perfect man *does* exist...for her.
