## Spotless (Spotless Series Book 1) Camilla Monk

Island Chaptal—nerdy IT engineer by day, romance novel junkie by night—just walked into her messy New York apartment to find Mr. Right waiting for her. No, wait...*Mr. Clean*.

A gentleman professional killer with a bad case of OCD and zero tolerance for unsorted laundry, March isn't there to kill her...yet. He wants the diamond her late mother stole for a sinister criminal organization. Island agrees to help him find it, facing the kind of adversaries who dismember first and ask questions later. Good thing she's got March to show her the ropes. And the guns. And the knives.

The buttoned-up Island is soon having a blast racing from Paris to Tokyo following the clues in her mother's will, and for the first time, she's ready to get close to someone. But falling for a hit man may be the very definition of loving dangerously.

***Spotless* marks the beginning of Island and March's ongoing adventures.**

#### **Lorraine Bryant:**

Why? Because this Spotless (Spotless Series Book 1) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the publication store hurriedly.

#### **Thomas Obrien:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Spotless (Spotless Series Book 1) can make you experience more interested to read.
