The Overloaded Ark

Gerald Malcolm Durrell

The Overloaded Ark Gerald Malcolm Durrell

Gerald Durrell, director and owner of Jersey Zoo, was internationally famous for his amusing books about collecting wild animals, in particular *My Family and Other Animals*. But *The Overloaded Ark*, his first, remains his funniest book. It describes an expedition to the remote territory of the Cameroons in West Africa, before independence. "A delightful book...You can feel his bush-shirt sticking to his back...Bagging a monitor, smoking out a Pangolin (scaly anteater), celebrating the capture of the rare Angwantibo (small lemur), bird liming for Giant Kingfishers on the warm, milky waters of Lake Soden: he communicates every detail of his experiences with just the right degree of zest." (New Statesman).
