The President's Parasite and Other Stories Jim Musgrave

In *The President's Parasite*, Jim Musgrave resurrects all that has gone missing in today's literature: originality. The title story is a Kafkaesque piece from the point-of-view of an intellectual tapeworm trapped inside a moronic president, and the satirical impact is worthy of Swift. The other stories range from a widower trapped inside the Clock Tower in Baghdad that he constructed, to a baseball pitcher who becomes a living vegetable after a batted ball strikes his head. All in all, there is something for everyone in this collection of 30 eye-popping stories from a truly gifted author.
