On A Killer's Trail Susan Page Davis

A sweet, elderly lady is killed on Christmas Day, and nothing else—not a single wrapped gift around the tree—is disturbed. Detective Neil Alexander can't figure out the motive. Rookie reporter Kate Richards wants the story, but Neil has little to share. Until there's *another* murder. Same M.O. Same ballistics. There *has* to be a connection. And Kate is determined to find it. Neil is impressed with her dedication, but he worries about where it will lead. They're on a killer's trail. And keeping Kate safe means keeping his heart off-limits.
