## **The Narnian** Alan Jacobs

The White Witch, Aslan, fauns and talking beasts, centaurs and epic battles between good and evil -- all these have become a part of our collective imagination through the classic volumes of *The Chronicles of Narnia*. Over the past half century, children everywhere have escaped into this world and delighted in its wonders and enchantments. Yet what we do know of the man who created Narnia? This biography sheds new light on the making of the original Narnian, C. S. Lewis himself.

Lewis was one of the intellectual giants of the twentieth century and arguably the most influential religious writer of his day. An Oxford don and scholar of medieval literature, he loved to debate philosophy at his local pub, and his wartime broadcasts on the basics of Christian belief made him a celebrity in his native Britain. Yet one of the most intriguing aspects of Clive Staples Lewis remains a mystery. How did this middle-aged Irish bachelor turn to the writing of stories for children -- stories that would become among the most popular and beloved ever written?

Alan Jacobs masterfully tells the story of the original Narnian. From Lewis's childhood days in Ireland playing with his brother, Warnie, to his horrific experiences in the trenches during World War I, to his friendship with J. R. R. Tolkien (and other members of the "Inklings"), and his remarkable late-life marriage to Joy Davidman, Jacobs traces the events and people that shaped Lewis's philosophy, theology, and fiction. The result is much more than a conventional biography of Lewis: Jacobs tells the story of a profound and extraordinary imagination. For those who grew up with Narnia, or for those just discovering it, *The Narnian* tells a remarkable tale of a man who knew great loss and great delight, but who knew above all that the world holds far more richness and meaning than the average eye can see.

### **From reader reviews:**

#### **Patricia Watts:**

The book The Narnian has a lot of knowledge on it. So when you check out this book you can get a lot of advantage. The book was authored by the very famous author. Mcdougal makes some research prior to write this book. This particular book very easy to read you may get the point easily after perusing this book.

#### **Emma Anderson:**

Your reading 6th sense will not betray you, why because this The Narnian e-book written by well-known writer who really knows well how to make book that can be understand by anyone who also read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still doubt The Narnian as good book not only by the cover but also through the content. This is one book that can break don't evaluate book by its deal with, so do you still needing yet another sixth sense to pick this particular!?! Oh come on your examining sixth sense already said so why you have to listening to another sixth sense.

#### **Michele Stoney:**

In this era which is the greater person or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple solution to have that. What you should do is just spending your time very little but quite enough to get a look at some books. Among the books in the top record in your reading list is actually The Narnian. This book that is qualified as The Hungry Slopes can get you closer in growing to be precious person. By looking upwards and review this reserve you can get many advantages.

#### **Wiley Wagner:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Narnian can make you truly feel more interested to read.
