The Tailored Interior Greg Natale

Multi-award-winning architect and interior designer Greg Natale does things differently. His bold signature style juxtaposes clean lines with repeating geometric patterns, unadorned walls with highly embellished feature pieces, and empty space with vivid splashes of color. At once contemporary and vintage, restrained and flamboyant, sophisticated and playful, Greg's spectacular interiors integrate architecture, design, and decoration to create visually breathtaking masterpieces.

In this stunning photographic collection, Greg guides you through building a concept, layering different elements for cohesion, embracing empty space, and using color and pattern to add the finishing touches. Filled with practical advice and paired with beautiful photography from Anson Smart and a foreword from Jonathan Adler, *The Tailored Interior* will provide all the inspiration you need to transform your living spaces into works of art.
