Good Night Galaxy (Good Night Our World) Adam Gamble, Mark Jasper

Many of the planet's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions and rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Blasting into space, this board book explores the unique aspects of the Milky Way. Introducing children to the sun and planets, moons, asteroids, and comets of our solar system, this book also encompasses black holes, constellations, and binary stars.
