Thomas E. Woods

Rollback: Repealing Big Government Before the Coming Fiscal Collapse Thomas E. Woods

In his blockbuster new book, *Rollback*, New York Times bestselling author Thomas E. Woods, Jr. offers the first critical analysis of the 2010 mid-term elections and answers the #1 question on conservatives' minds: How do we roll back the liberal policies and big government programs that Obama/Pelosi/Reid rushed through Congress before the mid-terms? From getting rid of wasteful and inefficient federal agencies to abolishing the income tax to repealing health care reform and all of Obama's "green" policies, Woods outlines a bold plan for dramatically overhauling the government and restoring our Founding Fathers vision for America.
