In a world first, almost incredibly, Riaan Manser rode a bicycle right around the continent of Africa. It took him two years, two months and fifteen days. It is a story of triumph and occasional disaster. Of nights out under the stars, of searing heat and rain, of endless miles of Africa and of pressing on and never surrendering whatever the odds. Mostly however it is the story of one man's courage and determination to escape the mundane and see the continent he loves and feels so much a part of.
