The Richer, the Poorer

Dorothy West

The Richer, the Poorer Dorothy West

On the heels of the bestseller success of her novel *The Wedding*, Dorothy West, the last surviving member of the Harlem Renaissance, presents a collection of essays and stories that explore both the realism of everyday life, and the fantastical, extraordinary circumstances of one woman's life in a mythic time. Traversing the universal themes and conflicts between poverty and prosperity, men and women, and young and old, and compiling writing that spans almost seventy years, *The Richer, The Poorer* not only affords an unparalleled window into the African-American middle class, but also delves into the richness of experience of "one of the finest writers produced in this country during the Roaring Twenties" (*Book Page*).

From the Trade Paperback edition.
