War Is Not a Game: The New Antiwar Soldiers and the Movement They Built (War Culture) Nan Levinson

On July 23, 2004, five marines, two soldiers, and one airman became the most unlikely of antiwar activists. Young and gung-ho when they first signed up to defend their country, they were sent to fight a war that left them confused, enraged, and haunted. Once they returned home, they became determined to put their disillusionment to use. So that sultry summer evening, they mounted the stage of Boston's historic Faneuil Hall and announced the launch of Iraq Veterans Against the War.

War Is Not a Game tells the story of this new soldiers' antiwar movement, showing why it was born, how it quickly grew, where it has struggled, and what it has already accomplished. Nan Levinson reveals the individuals behind the movement, painting an unforgettable portrait of these predominantly working-class veterans who became leaders of a national organization.

Written with sensitivity and humor, *War Is Not a Game* gives readers an uncensored, grunt's-eye view of the occupations in Iraq and Afghanistan, while conveying the equally dramatic struggles that soldiers face upon returning home. Demanding to be seen neither simply as tragic victims nor as battlefield heroes, the Iraq Veterans Against the War have worked to shape the national conversation. This book celebrates their bravery, showing that sometimes the most vital battles take place on the home front.

May be it may be best activity to you.

Manuel Pina:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's

country. Therefore this War Is Not a Game: The New Antiwar Soldiers and the Movement They Built (War Culture) can make you feel more interested to read.
