In the Dorland series of specialized word books, DORLAND'S CARDIOLOGY WORD BOOK gives the transcriptionist a user-friendly format for finding the spelling of a word based on its sound and/or context. This reference has been created specifically to be an effective, time-saving tool in transcribing, editing, and proofreading medical documents in the area of cardiology. It consists of two sections: Cardiology Terms, a straightforward and easy-to-use list of words; and Resources, which includes appendices and additional information specific to cardiology and to medical transcribing.
