Work has been undertaken by the author to supply a want long felt by the trade: that is, a cheap and convenient "Pocket Guide," containing the most useful and necessary rules for the carpenter. The Writer, in his progress "through the mill," has often felt that such a work as this would have been of great value, and some one principle here demonstrated been worth many times the cost of the book. It is believed, therefore, that this book will commend itself to those interested, for the reason that it is cheap, that it is plain and easily understood, and that it is useful.
