Fragile Darkness: A Midnight Dragonfly Novel Ellie James

Mystery, suspense, romance and a touch of the paranormal, makes *Fragile Darkness* a strong, unique entry into the YA market!

How do you stop someone you can't see? For as long as she can remember, sixteen-year-old psychic Trinity Monsour has seen things before they happen. But now, in the wake of tragedy, her visions have gone dark. She can still feel, though, and the danger she senses swirling around a new friend sends her into the New Orleans party scene, where nothing is as it seems, surprises wait at every turn, and the last guy she wants to see is the one she needs the most: the mercurial Dylan Fourcade, part stranger, part friend, part so much more.

It's the so much more that confuses her. How can she be drawn to someone she barely knows?

But whether she wants him there or not, he's by her side, shadowing her every step of the way, until the darkness clears, and a shocking truth emerges—a truth that changes everything.
