Relax, It's Only A Ghost Echo L. Bodine, Echo Bodine

Echo Bodine didn't want to be a psychic. In fact, she resisted it for a large part of her life. She tried to ignore the voices she heard, the spirits she saw, and the way her hands got warm when she was near a sick person. She just wanted to get married and have kids like the other girls in her town.

But Echo couldn't. Relax, It's Only a Ghost is the story of how she eventually came to terms with her psychic abilities and started to put them to work helping people. Have a house that won't sell? Call Echo. She'll find the ghosts and help them to 'the other side.' Feel a chill when you go into certain rooms of your home? Probably a former tenant who doesn't want to leave. He'll take persuading, and Echo knows how to do it.

Echo relates tales that are often funny, sometimes unnerving, and always warmly ingenuous. They will reassure the millions of people who think they may have ghosts in their lives. After all, as Echo's inimitable refrain tells us, "Ghosts are just like everybody else. They just happen to be dead."

Read about... * Roy, the ghost who didn't like children * Martha, whose house was home to several different ghosts, including two small children giggling in the closet and a prayer group in the living room! * Bob, the ghost who was in love with the owner of the house he inhabited * Bill, the policeman ghost who protected the woman in the 'massage parlor' * Kevin, the ghost who didn't know he was dead
