The rustic lakeside homestead is supposed to be a refuge for widow Nori Edwards. However, the moment the single mom arrives, strange and frightening things start happening. Former police officer Steve Baylor—the only resident who'll step foot on the "cursed" property—vows to protect Nori. *And* catch the shadowy someone dead set on terrorizing her. For the first time, she feels safe. But danger won't stay hidden forever...and neither will Nori's stalker, who's waiting for a chance to let a deadly storm roll in.
