Vermont Covered Bridges (Images of America)

Joseph D. Conwill

Vermont Covered Bridges (Images of America) Joseph D. Conwill

When we think of covered bridges, we think of Vermont. Today, the state still boasts a hundred covered bridges, and records tell of hundreds more such historical structures no longer in existence. Vermont Covered Bridges offers views of the most interesting and beautiful of these bygone covered bridges, as well as old photographs of existing structures. The images are drawn from the archives of the National Society for the Preservation of Covered Bridges (NSPCB), including the incomparable Richard Sanders Allen Collection and the work of noted photographers Henry A. Gibson, Raymond Brainerd, and others. Royalties from the sales of this book will benefit the NSPCB.
