Warship Pictorial 34 - USN Battleships in Color by Steve Wiper Publisher : Classic Warships Available : July 2010 ISBN : 978-0-9823583-5-1 Never before has any book been published containing photographs of all of the US Navy battleships that fought during the Second World War in original period color photographs. It took many years of collecting these historic color images to complete this book. Most of the photos have never been previously published and those that have, not to the level of quality provided in this book. For the first time, one will have a view of what these magnificent warships looked like in real color. All the photos in this book are historic photos, none are from modern times. WP34 contains 100 color photos within the 72 pages.

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Warship Pictorial No. 34 - USN Battleships in Color can make you really feel more interested to read.
