Eastpointe (Images of Modern America) Suzanne Declaire Pixley

Located in southeast Michigan, Eastpointe is typical of many suburban cities of middle America. During its development phase, Eastpointe's businesses and residents became involved in work or services related to the automotive industry. Structural changes occurred at a rapid rate as population density and diversity, technology, and economic changes impacted the community in rapid succession. When the automotive industry slowed, the income to Eastpointe residents, schools, and the city also slowed, yet the resiliency of the community allowed the city to survive.
