Make the most of your study time preparing for the American Board of Surgery In-Training Examination (ABSITE), written boards, and certification! The 4th Edition of The Surgical Review is a concise yet comprehensive review tool that keeps you up to date with surgical practice and current exams. Short, to-the-point chapters highlight all of the basic science and clinical science you need to know to perform at your best and improve your test scores. Every chapter is co-authored by a resident and an attending physician at the Hospital of the University of Pennsylvania, and the table of contents is organized to match the current exam.
