## **Grail Procession: The Legend, the Artifacts, and the Possible Sources of the Story** Justin E Griffin

By the 12th century, European literature was rich with tales of a procession carrying a group of objects closely tied to the passion of Christ--the Holy Grail, the lance that pierced Christ's side, the sword used to behead John the Baptist, and a dish from the Last Supper. While legends of the quest for the Holy Grail continue to grip the popular imagination, the other relics receive little mention. This exploration of the forgotten relics of the Grail Procession examines the body of evidence hinting at their authenticity, and traces their history as symbols, from the early days of Christianity, to Celtic mythology, to "the foggy wastelands inhabited by history's outcasts," to the suits of the modern tarot. The oral histories and a possible source-book that informed the earliest known stories are discussed.

#### **Denise Swann:**

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Grail Procession: The Legend, the Artifacts, and the Possible Sources of the Story

can make you sense more interested to read.
