## **História & Audiovisual (Portuguese Edition)** Rafael Rosa Hagemeyer

Décimo quinto volume da coleção História &... Reflexões, esta obra apresenta uma síntese das principais discussões sobre a relação entre os registros audiovisuais - cinema, animação, videogames, clipes, etc. - e a história. O autor revela aqui a importância do audiovisual para a formação e apreensão da história, e alerta aos historiadores que a função que lhes cabe, embora não apenas a eles, é fazer a sociedade imaginar a história, seja com palavras apenas, seja com palavras acompanhadas de imagens e sons. Para tanto, discute os problemas e fundamenta a legitimidade do audiovisual como fonte ou objeto de pesquisa historiográfica, além de revelar ao leitor a história dos audiovisuais, o desenvolvimento de suas técnicas e linguagens e o que é apresentado nessas ferramentas, traçando um paralelo entre a veracidade do registro e o poder evocativo das simulações audiovisuais e a história.
