Preaching Towards Church Revitalization and Renewal! Tom Cheyney, Larry Wynn

While leading both church planting and church revitalization efforts, I found many more helpful resources for church planters than for leaders trying to turn a church around! This is especially true as it relates to messages designed to challenge and inspire churches in need of revitalization. Tom Cheyney and Larry Wynn have drawn from their passion and experience and given the church revitalizer a true gift in the pages of this book!

Lee Kricher, Author, For a New Generation: A Practical Guide For Revitalizing Your Church
Pastor New Generation Church Pittsburg, PA

The impressive combination of Tom Cheyney and Larry Wynn have teamed up to address one of the most critical areas of Church Revitalization, that of preaching for revitalization. Both men have been working in the area of church planting and church revitalization for many years and have something very important to say in an area nearly bereft of coverage. If pastors are going to address church revitalization, it should begin with their most effective medium - their public proclamation. Cheyney and Wynn have produced an invaluable resource for revitalization leaders.

If I desire to read a "how to" book or a "help me" book, I want it to be written by a practitioner. That is exactly who Larry Wynn and Tom Cheyney are. They are leaders in their fields. Larry pastored one of the leading churches in America and he built it from scratch. Tom has led conferences and counseled many churches how to effectively revitalize a church. This is one book you do not want to tarry reading. Do it NOW!
