Revenge of the Mooncake Vixen: A Novel Marilyn Chin

An uproarious debut that lays bare the complicated generational relationships of Chinese American women.

Raucous twin sisters Moonie and Mei Ling Wong are known as the “double happiness” Chinese food delivery girls. Each day they load up a “crappy donkey-van” and deliver Americanized (“bad”) Chinese food to homes throughout their southern California neighborhood. United in their desire to blossom into somebodies, the Wong girls fearlessly assert their intellect and sexuality, even as they come of age under the care of their dominating, cleaver-wielding grandmother from Hong Kong. They transform themselves from food delivery girls into accomplished women, but along the way they wrestle with the influence and continuity of their Chinese heritage.

Marilyn Chin’s prose waxes and wanes between satire and metaphorical lyric, referencing classical Chinese tales and ghost stories that are at turns sensual, lurid, hilarious, shocking, and surreal.
