## **The Battle over Spanish between 1800 and 2000: Language & Ideologies and Hispanic Intellectuals (Routledge Studies in the History of Linguistics)**

This book examines the way in which a group of key Spanish and Latin American intellectuals of the nineteenth and twentieth-centuries discussed the concept of the Spanish language. The contributors analyse the ways in which these discussions related to the construction of national identities and the idea of an Hispanic culture.

This book will be essential reading for sociolinguists, scholars of the Spanish language, historians of the Hispanic culture, and all those with an interest in the relationship between language and culture.
