Charles K. McClatchy was twenty-five when he inherited *The Sacramento Bee* from his father, and his ensuing career as the paper's editor extended well beyond the newsroom. Until his death in 1936, McClatchy was a consistent advocate for Progressive politics, a crusader for urban reform, a staunch isolationist, and a voice for Northern California. This biography explores his career as the long-time editor of the *Bee* in a work that weaves the history of Northern California with that of American newspapers.
