Getting It Right: The Essential Elements of a Dissertation Raymond L. Calabrese

Getting It Right: The Essential Elements of the Dissertation was written for graduate students writing their dissertations. Clearly written and organized into five thematic chapters— introduction and rationale; review of literature; methods; results/findings; and interpretation and recommendations—this key writing source includes comprehensive examples taken directly from high-quality, scholarly dissertations. With motivational pep talks for graduate students and appropriate tips for mentors, *Getting It Right* is a thorough, but reader-friendly guide for both dissertation writers and their faculty advisors.
