Moving The Mountain (Truly Yours Digital Editions Book 703) Yvonne Lehman

After leaving the mountains of her childhood, widow Molly Pierpont returns to help raise the children of her dead sister. She longs to enrich their lives, but how can a citified woman learn to make do in the wilds of Kentucky? Jonas McLean lost his heart when he lost his wife. Now, her sister, Molly, has come at his request - a request he didn't want to make. His daughter loathes the woman, while his son thinks she's his mama. And Jonas - well, he's not exactly sure how he feels about the spirited widow. Can grief extinguish their mustard-seed faith and crush their wounded hearts? Or will they allow their love for God - and each other - to move mountains of fear and pain?
