Since the 1960s, the Catholic Church has acted as a mediator during social and political change in many Latin American countries, especially the Dominican Republic, Bolivia, Guatemala, Nicaragua, and El Salvador. Although the Catholic clergy was called in during political crises in all five countries, the situation in the Dominican Republic was especially notable because the Church's role as mediator was eventually institutionalized. Because the Dominican state was persistently weak, the Church was able to secure the support of the Balaguer regime (1966–1978) and ensure social and political cohesion and stability. Emelio Betances analyzes the particular circumstances that allowed the Church in the Dominican Republic to accommodate the political and social establishment; the Church offered non-partisan political mediation, rebuilt its ties with the lower echelons of society, and responded to the challenges of the evangelical movement. The author's historical examination of church-state relations in the Dominican Republic leads to important regional comparisons that broaden our understanding of the Catholic Church in the whole of Latin America.

The particular book that recommended for your requirements is *The Catholic Church and Power Politics in Latin America: The Dominican Case in Comparative Perspective (Critical Currents in Latin American Perspective Series)* this reserve consist a lot of the information of the condition of this world now. This kind of book was represented how do the world has grown up. The words styles that writer use to explain it is easy to understand. The writer made some research when he makes this book. That's why this book acceptable all of you.

Carolyn Franklin:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *The Catholic Church and Power Politics in Latin America: The Dominican Case in Comparative Perspective (Critical Currents in Latin American Perspective Series)* can make you feel more interested to read.
