The History of the English Baptists - Vol. 1 Thomas Crosby

Excerpt from The History of the English Baptists, Vol. 1: From the Reformation to the Beginning of the Reign of King George I.; Containing Their History to the Restoration of King Charles II

I Am well aware, that some things contained in this history may awaken prejudice, censure, or displeasure, and occasion objections and offence, both to the treatise and my self. And I know that some have already declared their opinion, that facts which bring no credit to the persons of whom they are related, ought to be buried in oblivion. But such persons seem to me to be very ignorant of the duty of an historian. In answer to whom I shall only observe, that those heretical persons of the denomination of Baptists, on whom the sword of the magistrate fell so heavy, are yet upon record, and not omitted even by so late an author as the reverend Mr. Neal, and so exposed to the view of men from age to age. Therefore I thought it needful, as well as just, to have these things set in a clear open light, to disburse all those who may have been imposed upon by false or partial and defective history in this matter, and to remove, or prevent, or allay, scandal, or censure, for time to come; and I am apt to think that many readers now hereafter would have thought me partial, had I not taken notice of them. Neither do I think that it reflects any odium on the English Baptists, that some of their opinion in the point of Baptism, have been charged with heretical notions and heterodox opinions, Name me that body of christians in the world, which may not be equally, if not more, chargeable with the same. And yet I doubt not, Bod bath many faithful servants in this kingdom, amongst all the denominations of christians, who notwithstanding the imputation of heresy and heterodoxy charged on them by others, will be found among the blessed in the kingdom of glory.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
