La società del risentimento: 8 (Best Practices) (Italian Edition) Stefano Tomelleri

Questo libro nasce dall'esigenza di accogliere la provocazione di Friedrich Nietzsche contenuta nella domanda scelta a titolo di questa introduzione: quanto e come il risentimento condiziona la nostra vita quotidiana? Nel corso del novecento abbiamo assistito a vere e proprie eruzioni di questo male insidioso e tutt'ora siamo spettatori del proliferare di nuove forme di risentimento ai vari livelli della vita sociale: familiare, locale e planetario. Scopo di questo libro è l'esplorazione dei presupposti antroposociali costitutivi di quel male e della sua genesi. Prefazione di René Girard.
