On December 1, 2007, during the arrest of several guerillas in Bogotá, the Colombian police confiscated a short video clip of political hostage Ingrid Betancourt. Accompanying the video was a twelve-page letter, dated October 24, 2007, written by Betancourt to her mother and family.

Kidnapped on February 23, 2002, Betancourt has become an international symbol in the struggle for liberty and the fight against barbarity. Before being captured by the Revolutionary Armed Forces of Colombia (FARC), she was a voice of hope for the Colombian people, leading a courageous fight against political corruption, violence, and illegal detentions.

Presented in this small, poignant book is Betancourt's letter to her mother printed in English, French, and Spanish. From the depths of the Colombian jungle, Betancourt's words are an impassioned declaration of love to those dearest to her.

In addition to this letter is a response to Betancourt written by her children, who since they were teenagers have rallied public support for their mother's release. With a preface by Nobel Peace Prize Laureate Elie Wiesel, *Letters to My Mother* conveys a powerful message of love for family and country, and a heartrending plea for freedom.
