## **The Beatles Argus (French Edition)** Daniel Lesueur

Plus d'un quart de siècle qu'on attendait la publication définitive de l'œuvre des Beatles sur CD ! Septembre 2009 restera une date dans l'Histoire de la musique car, en sept années d'un règne à peine partagé, les Beatles avaient totalement révolutionné la chanson populaire britannique pour en faire un courant mondial appelé "pop music". Chacune de leurs chansons, ou presque, est connue de tous. De "She loves you" à "Yellow submarine" en passant par "Yesterday", la planète continue de résonner au son de leur "Yeah yeah yeah". Voici donc, passées au crible, toutes leurs chansons jamais interprétées : date d'enregistrement, de mixage, différences notables entre les versions mono et stéréo... et toutes les anecdotes qui ont conduit à construire la discographie la plus vendue au monde encore aujourd'hui.
