**Understanding the Modern Russian Police** represents the culmination of ten years of research and an ongoing partnership between the Volgograd Academy of Russian Internal Affairs Ministry (VA MVD) and the Volgograd branch of the Russian Presidential Academy of National Economy and Public Administration (VAPA). - The Soviet era from the 1917 October Revolution until Stalin's death in 1953
- The Khrushchev and Brezhnev periods, and the Soviet police's maturation into a professionally educated and well-equipped law enforcement system
- The transformational period of police development beginning with Gorbachev's *perestroika* and concluding with the first term of Putin in 2008
- The structure, authority, and workforce of the modern Russian police
- Public-police relationships existing today in Russia
- Reports by Amnesty International and Human Rights Watch on corruption and abuse of power, along with a legal analysis of practices by the European Court of Human Rights (ECHR)
- The 2011 Police Reform by Medvedev

The book concludes with some predictions on the future of the Russian police and its potential reforms.
