Visão Espiritual (Portuguese Edition) Silvio Dutra

Ao sentido da visão natural corresponde o sentido da visão espiritual, assim como ao da audição natural corresponde o da audição espiritual. Não que haja propriamente um olho como o físico para enxergar o que é espiritual, ou um ouvido físico para ouvir as mesmas coisas espirituais. Todavia, sabemos que o olho e o ouvido simplesmente captam os sinais do mundo exterior para que estes sejam interpretados pelo cérebro. É, portanto na mente que ocorre a visão e a audição. De igual modo, as realidades espirituais são captadas e interpretadas pela nossa mente e pelo nosso espírito, tornando para nós realidades vivas o que ouvimos ou lemos na Palavra de Deus. Deve ser considerado então, que há um ouvir no ouvir, e um enxergar no ver, pois a fé vem pelo que ouvimos ou lemos do evangelho. Esta capacidade de entender espiritualmente é um dom concedido por Deus, e sem esta operação do Espírito Santo para nos revelar a verdade, nada podemos fazer.
