Hat Tricks Count: A Hockey Number Book (Sports) Matt Napier

The companion volume to our bestselling, Blue Spruce Award winner, *Z is for Zamboni: A Hockey Alphabet*. Like our alphabet series our counting books are written in a two-tier format with charming poems for young readers and expository text for older readers. Young sports fans see numbers everywhere--the scoreboard, the retired jerseys in the rafters, the numerology of sports stats--and *Hat Tricks Count: A Hockey Number Book* delivers them faster than an assist from the Great One, number 99 himself. *Hat Tricks Count* will answer many of the fast paced questions kids have. What is a Hat Trick, anyway? Cross checking, high sticking, and hooking penalties add up to what? Who scored more career goals--Gordie Howe or Wayne Gretzky?
