**The Good Fight: Hard Lessons from Searchlight to Washington** Harry Reid, Mark Warren

After a childhood of shocking poverty, Harry Reid completed law school, working as a policeman to pay his way. He faced death threats as the head of the Nevada Gaming Commission trying to clean up Las Vegas. Eventually he rose to become Senate Majority Leader in Washington-without ever forgetting the mining town he came from, or the battles he fought along the way. This is that rare book by a politician that is more than a glorified press release. It is an extraordinary American story-told in a voice that is flinty, real, and filled with passion.
