## Utopia Forever: Visions of Architecture and Urbanism Lukas Feireiss

Whether created by established architects and artists or new talents, the examples in *Utopia Forever* are important catalysts for fundamental change and are radically shaping our notions of life in the future. The current projects and concepts from architecture, city planning, urbanism, and art collected here point beyond the restrictions of the factual to unleash the potential of creative visions. This inspiring work explores how current challenges for architecture, mobility, and energy as well as the logistics of food consumption and waste removal can be met. Text features by both architects and theorists give added insight.
