Your Church in Rhythm: The Forgotten Dimensions of Seasons and Cycles (Jossey-Bass Leadership Network Series) Bruce B. Miller

A gentle new way for church leader's to survive stress and burnout

Bruce Miller debunks the idea of balance—basically trying to have it all, all the time. Most churches and their pastors try to do everything at once and feel guilty if any one aspect (worship, ministries, outreach, etc.) is neglected. He replaces the exhausting concept of balance with the idea of rhythm: churches, like people, need to give attention to different programs and ministries at different times, basically by attending to their seasons and cycles.

- Offers an innovative new model for church leaders
- Miller has been influential in the formation and promotion of “Church-Based Training” as in international movement
- Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time

The author offers much-need help to overwhelmed leaders and shows them how to apply Miller's seasonal/cyclical approach to church life.
